Volunteers – Get Involved

Bruce Munro in partnership with MRD has developed two individual, contrasting installations for the Mildura-Wentworth region, inspired by its diverse and distinct landscapes. The two nominated sites are both less than 50 minutes' drive from the centre of Mildura. (Lake Cullulleraine and Wentworth)

The first of the two sites to be operational, TRAIL OF LIGHTS is located at Lake Cullulleraine situated beside the lake and recreation reserve that has existing camp/caravan facilities.

Opportunities exist for sporting clubs, volunteer groups, school groups and interested individuals to provide in-kind support to the project in the lead up to the opening as part of final delivery.
